Section 2548.28. LIFE SETTLEMENT LICENSEE DISCLOSURE TO LIFE SETTLEMENT APPLICANT.

**State of California
Department of Insurance
Life Settlement Licensee**

Disclosure to Life Settlement Applicant

(To be provided no later than at time of application for any life settlement agreement)

IMPORTANT: READ THIS DISCLOSURE FORM BEFORE SIGNING ANY LIFE SETTLEMENT AGREEMENT.

You should carefully read all of the following points and seek financial, insurance, tax and other advice where appropriate.

1. There may be possible alternatives to life settlements which exist and include, but are not limited to, accelerated benefits options that may be offered by your life insurer.
2. Some or all of the proceeds of a life settlement may be taxable. Assistance should be sought from a professional tax adviser.
3. There may be an impact on the receipt of public assistance. The recipient should contact the State Department of Health Care Services and the State Department of Social Services under Section 11022 of the Welfare and Institutions Code for further information.
4. Proceeds from a life settlement could be subject to the claims of creditors.
5. Entering into a life settlement contract may cause other rights or benefits, including conversion rights and waiver of premium benefits that may exist under the policy or certificate of a group policy to be forfeited. Assistance should be sought from a financial adviser.
6. Entering into a life settlement could limit the insured's ability to purchase life insurance in the future because there is a limit to how much coverage insurers will issue on one life.
7. The owner has a right to rescind a life settlement contract within thirty (30) days of the date it is executed by all parties and the owner has received all required disclosures, or fifteen (15) days from receipt by the owner of the proceeds of the life settlement, whichever is sooner. Rescission will only be effective if both notice of rescission is given and all proceeds and any premiums, loans, and loan interest paid on account of the provider are repaid within the rescission period. If the insured dies during the rescission period, the contract shall be deemed to have been rescinded subject to repayment by the owner or the owner's estate of all proceeds and any premiums, loans, and loan interest to the provider.
8. Proceeds will be sent to the owner within three (3) business days after the provider has received the insurer or group administrator's acknowledgment that ownership of the policy of the interest in the certificate has been transferred and the beneficiary has been designated in accordance with the terms of the life settlement contract.

9.
